Yael Naim Lyrics

<u>« Despair »</u>

I wish i'd found
Every time I fall into despair
I wish i'd drowned
Every time I fall into despair

Every place i go
Seems to remind me
I can't let it go
It seems to find me
We can't fight with each other
Don't want to fight with another

I wish i'd found
Every time I fall into despair
I wish i'd drowned
Every time I fall into despair

Every place i go
Seems to remind me
I can't let it go
It seems to find me
We can't fight with each other
I can't find you another way to grow

Everytime i fall into despair ...

I wish i'd found
Every time I fall into despair
I wish i'd drowned
Every time I fall into despair

I wish i'd found
Every Time i'm falling
Wish i've drowned
Everytime i'm going ...

Time will …. spinning time ...
